Backend: Node.js, Express.js, Python, Django, REST APIs, GraphQL

Databases: MongoDB, PostgreSQL, MySQL, Firebase, Redis

Design Tools: Figma, Adobe XD, Sketch, Photoshop, Illustrator

Testing: Jest, React Testing Library, Cypress, Selenium

Development Tools: Git, VS Code, npm, Webpack, Babel

Other: Responsive Design, Accessibility (WCAG), SEO, Performance Optimization

PROFESSIONAL EXPERIENCE

Senior Frontend Developer | DigitalWave Agency | Jan 2022 - Present

- Lead frontend development for 15+ client projects using React and Next.js
- Design and implement responsive, accessible user interfaces following WCAG guidelines
- Collaborate with UX designers to translate designs from Figma into pixel-perfect implementations
- Improved website performance by 60% through optimization techniques and lazy loading
- Mentor junior developers in React best practices and modern JavaScript
- Conduct code reviews and establish frontend development standards
- Implement comprehensive testing strategies using Jest and Cypress
- Built reusable component library used across multiple projects

Full Stack Developer | WebCreatives Studio | Jul 2020 - Dec 2021

- Developed full-stack web applications using React, Node.js, and MongoDB
- Created RESTful APIs and integrated third-party services

- Designed user interfaces in Figma before implementation
- Implemented authentication and authorization using JWT and OAuth
- Built e-commerce platforms with payment integrations (Stripe, PayPal)
- Optimized database queries and implemented caching strategies
- Worked in Agile environment with 2-week sprints
- Achieved 95% client satisfaction rate across 20+ projects

Junior Web Developer | TechStart Solutions | Aug 2019 - Jun 2020

- Built responsive websites using HTML, CSS, JavaScript, and Bootstrap
- Developed interactive components using vanilla JavaScript and jQuery
- Collaborated with designers to ensure design consistency
- Fixed bugs and implemented new features for existing applications
- Learned React and modern frontend development practices
- Participated in daily stand-ups and sprint planning meetings

Freelance Web Designer/Developer | Self-Employed | Jan 2018 - Jul 2019

- Designed and developed websites for small businesses and startups
- Provided branding and UI/UX design services
- Managed client communications and project timelines
- Built portfolio of 10+ successful client projects

EDUCATION

Bachelor of Science in Computer Science

University of Texas at Austin | 2015 - 2019

Minor: Digital Design

GPA: 3.6/4.0

CERTIFICATIONS

- React - The Complete Guide (Udemy, 2021)
- Advanced CSS and Sass (Udemy, 2020)
- UI/UX Design Specialization (Coursera, 2020)
- JavaScript Algorithms and Data Structures (freeCodeCamp, 2019)

FEATURED PROJECTS

E-Commerce Platform - "ShopEase"

- Built full-stack e-commerce platform using Next.js, Node.js, and MongoDB
- Implemented shopping cart, user authentication, and payment processing
- Designed responsive UI with Tailwind CSS

- Achieved 98/100 Lighthouse performance score
- Technologies: Next.js, TypeScript, MongoDB, Stripe API, Vercel

Task Management App - "ProductiveFlow"

- Developed collaborative task management application
- Real-time updates using WebSockets
- Drag-and-drop interface with React Beautiful DnD
- User authentication and team collaboration features
- Technologies: React, Firebase, Material-UI, Redux

Restaurant Booking System

- Created online reservation system for restaurant chain
- Integrated with POS system API
- Mobile-responsive design with table layout visualization
- Admin dashboard for managing reservations and tables
- Technologies: Vue.js, Express.js, PostgreSQL, Socket.io

Personal Portfolio Website

- Designed and built personal portfolio site
- Animated interactions and smooth scrolling effects
- Optimized for SEO and accessibility
- Blog section with CMS integration
- Technologies: React, Next.js, Tailwind CSS, Contentful

DESIGN PORTFOLIO

- 50+ UI/UX designs created in Figma
- Expertise in creating design systems and component libraries
- Strong understanding of color theory, typography, and layout principles
- Experience with user research, wireframing, and prototyping

AWARDS & RECOGNITION

- Winner - "Best Web Design" at Austin Web Summit 2022
- Featured on Awwwards.com for portfolio design (2021)
- Top 10 finalist - React Hackathon 2021

PUBLICATIONS & TALKS

- "Modern React Patterns" - Published in Dev.to (5K+ views)
- "Accessibility in Web Development" - Speaker at Austin JS Meetup
- Regular contributor to CSS-Tricks and Smashing Magazine

VOLUNTEER WORK

- Mentor at Girls Who Code workshop
- Web development instructor at local coding bootcamp
- Built pro-bono websites for 3 non-profit organizations

LANGUAGES

English (Native)

Spanish (Native bilingual)

Portuguese (Conversational)

SOFT SKILLS
